New road in Midvale City

UDOT will partner with Midvale City to construct a new road in Midvale at approximately 700 West from 7200 to 8600 South. The new roadway will be completed in two phases and will include 5 lanes with sidewalk curb, gutter and lighting. Phase one will be constructed in summer 2008. Phase two will be constructed in 2009-10. Two Superfund sites, the Midvale Slag site and the Sharon Steel site, are located in the construction area.

Current identified budget: \$ 5 million

Legislative Districts:

Senate: 3
House: 44

NOTE: Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.

Anticipated start date:

SPRING 2008

Municipality: Midvale City

Take care of what we have • Make the system work better • Improve safety • Increase capacity
